BILLINGS GETS TROPHY

Makes Best Record in Leading Event
of Tournament at Pinehurst.

PINEHURST, N. C., January 25.—The first annual midwinter handicap trap shooting tournament on the local Country Club, ended today with a pretty contest for the coveted trophy. The scores were high considering the wind, and competition was keen.

W. C. Billings, former New York Athletic Club champion (eighteen yards), captured the handicap trophy, leading R. G. Stokely, of Wilmington, N. C. (eighteen yards), winner of the prize in the Southern handicap at Richmond last June, by a margin of two targets. Their scores were 90 and 88, respectively. Andrew Lindley, of New York (eighteen yards), was third, with a score of 86.

A. M. Hatches led the professionals, with 91; Guy Ward and Walter Huff finished second and third, with 85, and got program cmfz hrdm mfw mfw G. W. Maxwell third, with 83.

The high general average for the 24 target program, William Ford, of Wilmington, Del., led, with a total of 276, 92 per cent, George L. Lyon, of Durham, being second, with 271, 90 1-3 per cent.

Field, N. J., and G. S. McCarty, of Philadelphia, tying for third, with 268, 89 1-3 per cent.

The midwinter handicap has been a great success.

PENN WILL MEET MICHIGAN
Red and Blue to Meet Westerners in Big Game On November 14th.

ANN ARBOR, MICH., January 25.—Announcement was made here today that night that arrangements have been concluded for a football game at Ann Arbor, November 14th next, between the University of Pennsylvania and the University of Michigan.

Financial reasons caused the game to be scheduled for November 14th, because at Philadelphia the contest would have to meet the competition of the Yale-Princeton game at Princeton. Michigan contracts to play at Philadelphia in 1909, when Princeton plays at New Haven. Other games scheduled for Philadelphia are against the State University at Columbia, October 24th, and Vanderbilt, at Ann Arbor, October 31st.

The rumor is current that Dartmouth will be scheduled for a game with Michigan between October 21st and November 14th.

RIDING TO HOUNDS.
Fox Hunters Enjoy a Fine Chase in Loudoun.

[Special to The Times-Dispatch.]
LEESBURG, VA., January 25.—The district of the Loudoun and Middlesex Hunt Club as advertised are Leesburg, Va., and the Middlesex Hunt Club, which met today at Leesburg, a heavy fog, leading the field as master, with Cotesworth, huntsman, and whips in pink. Members of the Loudoun and Middlesex clubs followed, but few were in at the finish.

The start was made at the south entrance of the Leesburg estate, but after finding the hounds lost, and were called off. A second start was made after a further advance, the pack heading in the direction of the Leesburg estate, and a very difficult course, the followers on splendid mounts taking the hunt in a very spirited manner. The pack has been well trained, and during the season has shown great endurance and swiftness.

FORWARD PASS RULES.
Important Changes Made by the Intercollegiate Football Committee.

NEW YORK, January 25.—Important changes in the rule governing the forward pass, which will prove of advantage to weaker teams and other football legislation were made by the Intercollegiate Football Committee.

NEW YORK, Jan. 25.—Word has been received in New York of the birth of the first colt in America by Rockland, the \$125,000 stallion imported by August Belmont.

The foal was born at Belmont's farm in Kentucky, its dam being the Rayon D'Or mare Felch. As the first son of famous winner of the Two Thousand Guineas, the Derby, and the St. Leger in England in 1862, the foal would be viewed with interest, but to this it adds a strain of blood that has become prominent on the turf, Felch being of the same origin, tracing in direct female line, as Colton, the champion of the turf last summer and winner of \$10,000 in purses.

The Rockland-Felch colt is a chestnut, and was born Jan. 20.

PAKKE CONFIDENT.
Thinks He Can Whip Hugo Kelly in a Second Match With Base.

BOSTON, MASS., January 25.—Bill Pakke, the Illinois Thunderbolt, fresh from dashing the aspirations of Walter Stanton in a battle in Boston, dropped into a sporting cafe yesterday. Pakke said that all details for his second battle with Hugo Kelly had been settled with the exception of the date. He has not the slightest doubt that he will win from Kelly decisively in their coming fight.

Pakke will get back for the West this evening. He thinks two days quite long enough for a fighter with the championship of the world to linger in the East. He will go at once to Springfield, Ill., where he will gradually prepare himself for the Kelly fight.

Pakke is a decided blond, five feet ten inches in height. He can easily make 150 pounds.

PENN AND CORNELL FRIENDS ONCE MORE
PHILADELPHIA, PA., January 25.—The University of Pennsylvania and Cornell have resumed relations in track athletics and will hold a meet some time in May. This will be the first dual meet the Quakers and Ithacans have held in three years. Cornell has suggested that the first meet be held at Franklin Field.

There will be no meet with Columbia this year. The New Yorkers were unwilling to appear at the meet at Field this year, but as much as they knew they would be no match for the Quakers they asked to be released.

ROGERS GIVES UP THE RACING GAME FOR PRESENT
SAN FRANCISCO, CAL., January 25.—Rogers, the New Hampshire turfman, is disgusted with the racing game, and has decided to give it up for the present. He has since lost a big wager on Sister Frances and lost his horse in the bargain, because the judges refused to allow him to change riders. Rogers has been disheartened by the loss. He stated that he would retire from the turf and would never again run horses over the Emerald course as long as Judge Hooper was in the stand.

Baseball Notes.
The Yankees will go back to their old dark blue traveling uniforms this season. This is done to change their look, and to make them look more like the color before they finished color second both times. This is the Yankees' year, sure as you're born.

It is funny to read the stories of those writers who never dig up any news, knocking the up-to-date fellows who know what news reports are. They have to square themselves some way, I suppose. But it takes many a squarer for certain scribes I know of.

It cannot be denied that the National Association were forced to show their hand on the blacklist proposition and play their cards on the top of the table. There is no doubt that Harry Pulliam caught them renegeing.

Jack Kleynow cannot find a weak link in the Yankees' makeup, so very naturally he claims the American League pennant for them. Why not? When Mike Donlin can live in New York all winter with the "white love" and still stand at the top of the league, the Giants' chances are wonderful.

Improved, Mike, in his best form, is pretty near half of any team he is on. A baseball ballplayer, if there ever was one.

Hot Springs this spring will have a baseball colony equal to its population. The number of tossers who are going there to bolt out. No better place could be selected.

Tyrus Cobb says he will not sign with the Detroit club unless he gets \$5,000 per year and a three-year contract. Don't blame him for asking for it, but Tyrus will be the first Tiger to report just the same, whether he gets the bank president's stipend or not. When a player imagines he is "downright," why wouldn't he endeavor to outdo himself with a \$5,000 per year?

These senseless zany has come out with a knock that Ira Thomas is not a hard worker. No team ever had a livelier hustler than Ira. He is in the same old time, and he is given plenty of work by Hughes, Jennings, Cobb and Crawford will not be the only cleaners-up on the Tigers. He can surely ring the bell.

Packey Off to Train.
Packer McFarland and his manager, Harry Gilmore, left for Philadelphia Friday night to arrange the details of Packey's fight with Young Loughrey before the National A. C. of Philadelphia. The next Tuesday night, McFarland will look up training quarters near the Quaker City to get on edge for the battle. Gilmore said arrangements would be made for a special train to run from New York on the night of the contest. McFarland will return to the West immediately after this bout.

SANOMA GIRL, THE QUEEN OF TROTTERS
Captain Springer Says She Can Beat Anything on Earth.

LOS ANGELES, CAL., January 25.—"I have every confidence that Sanoma Girl can beat any trotter in the world, and next year I look for her to break the world's record for the mile without a wind shield, held now by Lou Dillon at 2:01. She will go back to the great circuit next season, and it is my firm belief, based on my experience with her in her races in the East last season, that she can beat her in a trotting race."

Sanoma Girl is a trotting race horse, owned by J. D. Springer, is responsible for these words of wisdom.
